

GPP
2020

compras para
uma economia
de baixo carbono

Embedding long term support actions for SPP

Livia Mazzà, Fondazione Ecosistemi

Examples from Italy

- ❑ Spread the implementation of low carbon procurement across the country
- ❑ Enhance the links between relevant national and local policies and initiatives for GPP and climate change.

Inform public purchasers about low carbon procurement benefits

Disseminate low carbon procurement practices and favor the exchange of best practices

Raise the awareness of key procurement organizations (e.g. central and regional procurement agencies)

Train key actors in the public procurement field

Support PAs in market engagement activities

Embedding long term support actions

- Foreseen training and support actions implemented according to specific needs of GPP2020 purchasing bodies and associate partners
- Synergies with ongoing initiatives

Training courses hosted by: Region Lazio, Region Sardegna, Region Liguria, Province of Bolzano, Region Veneto, Municipality of San Giuseppe Vesuviano

Networking events hosted by: Municipality of Padova, Forum Compraverde-BuyGreen

and realised in collaboration with: National Association for Local Agenda 21, Metropolitan Area of Rome Capital, Consip

GPP 2020

***REGIONAL ACTION PLAN (PAR) OF THE VENETO
REGION FOR IMPLEMENTATION OF THE GREEN
PUBLIC PROCUREMENT (PAR GPP)***

ITALIA – REGIONE VENETO

Speaker: Avv. Giulia Tambato

1. PARTECIPATION IN THE PROJECT GPP2020

«Promoting Green Public Procurement (GPP) in support of the goals – GPP2020»

Because we want

2. «Promoting knowledge and experimentation of the environmental criteria in the framework of procurement procedures»

(Act. n. 2345 issued by the Regional Government of the Veneto Region on 16th December 2014). Then we decided to

3. «Adoption of the guide-lines and task to implement the Action Plan»

(Act. N. 520 issued by the Regional Government of the Veneto Region on 21th April 2015)

In a second time,

Veneto Region has introduced «green criteria» in several procedures, for example:

1. Printers procedure
2. Stationary procedure
3. Paper and toilet paper

We won an award for «stationary procedure» during the «international forum of GPP in Rome on 1-2 October 2015».

Finally

«ADOPTION OF THE REGIONAL ACTION PLAN OF THE VENETO REGION TO SUPPORT THE IMPLEMENTATION OF THE GREEN PUBLIC PROCUREMENT FOR THE YEARS 2016-2017-2018»

(Act. N. 1866 issued by the Regional Government on 23th December 2015)

GOALS

- ❖ Regional Spending Review
- ❖ To include environmental and social criteria in the procurement procedures in order to purchase more sustainable goods and services
- ❖ To spread procurement procedures based on the life-cycle costing (LCC) in order to best assess the value for money
- ❖ Promotion of sustainability measures for purchasing goods and services by Public Authorities through actions of Training, Information and Communication

THE MANAGEMENT OF THE ACTION PLAN HAS TWO LEVELS

STEERING COMMITTEE

Consisting of 5 experts
chosen inside Regional
Section for General Affairs of
the Veneto Region,
responsible for the
implementation of the Action
Plan

INTERSECTORAL WORKING GROUP

Formed by experts from several stakeholders
in the implementation of the GPP:

- Environment
- Planning
- Energy
- Tourism
- Economic Development
- Training
- Aem (agriculture)
- Transport
- Territory

FUNCTIONS OF THE STEERING COMMITTEE

- **Operational coordination**
- **Measures necessary for the management and implementation of the action Plan**
- **Coordination of the intersectoral Working Group to create a network among different initiatives carried out by several regional areas of intervention**

FUNCTIONS OF THE INTERSECTORAL WORKING GROUP

- LISTING OF THE CURRENT LAWS IN THE DIFFERENT AREAS OF INTERVENTION
- FORMULATION OF STUDY PROPOSALS AND EXPLANATION ABOUT THE LIFE-CYCLE OF THE PRODUCTS, THE USE OF ECO-LABELS OF SPINNERETS (SPECIFIC SECTOR OF PRODUCTION), ETC.
- SPOTTING OF CURRENT MEASURES AND PROPOSAL OF FURTHER NEW ONES IN ORDER TO SPREAD AND PROMOTE THE USE OF GOOD PRACTICE ABOUT ENVIRONMENTAL PROTECTION
- ISSUE OF NEW MEASURES IN ORDER TO INTEGRATE THE REGIONAL ACTION PLAN (PAR GPP)
- SPOTTING AND ANNUAL UPDATE OF THE GOALS AND ACTIONS TO INCLUDE INTO THE PAR GPP
